Summary

This screen provides basic information regarding the logged in users MWI Pet account.
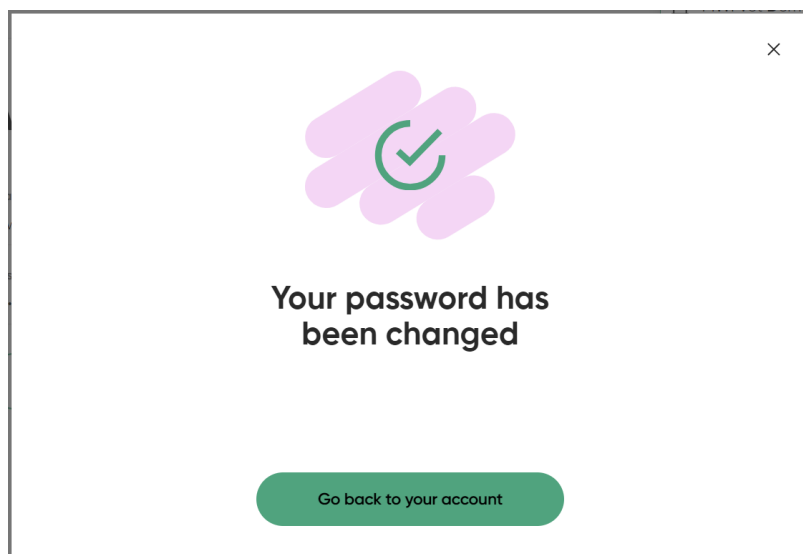

Details

This page will detail all the Account information that an admin MWI Pet user can view.

Note - all workflows below are demonstrated on a desktop view of MWI Pet. If a practice admin user is using a mobile phone to access, workflows may differ slightly but have the same functionality.

It shows their Email Address and a hidden password.

If you wish to change your MWI Pet password, press '**Edit**', enter your current password and press '**Next**'. You will be asked to enter a new password, confirm the password and then select 'Set new password'.

If you cannot remember your password, press '**Reset Password**'. You will need to enter the email address associated with the MWI Pet account and further instructions will be sent via email.
